- A complete resource in the Spanish language.

Sample Searches

The screenshot shows the OCENET website interface. At the top, there is a search bar with the text "OCENET Medicina y Salud" and "OCEANO Digital". Below the search bar, there are navigation tabs: "Educación para la salud", "Protocolos", "Atlas de anatomía", "Diccionarios", and "Links". The main content area is titled "Búsqueda temática" and shows a search for "Medicina preventiva y cuidados de la salud en Categoría". There are filters for "Ver:" including "Todos", "Referencia", "Revistas", "Educación para la salud", "Protocolos", "Medicinas alternativas", "Enfermería", "Casos", and "Imágenes". The results section shows "Resultados del 1 al 20 de 832" and lists two articles: "¡La prevalencia, estúpido, la prevalencia! (al menos para explicar la variabilidad grosera)" and "¿Conseguiré dejar de fumar?".

Simple Search

1. Enter term in box to execute a search.
2. Articles display.
 - Filter the results by source or keep current list of results.
 - Click in article of interest to display the full text.
 - Print, save or e-mail result.

By Subject

1. Click on "Subject Search"
2. Subject tree is displayed.
3. Select subject by clicking of + sign.
4. Select a sub subject and/or enter term in box to execute search.
5. Articles display.

Advanced Search

1. Select the field of choice to start your search, insert the term and click.
 - Title
 - Source
 - Author
 - Text
 - Subject (see tree)
2. Use publication date to filter the results within the periodical publications
3. Select the number of results per page.

The screenshot shows the OCENET website interface for an advanced search. The search bar is empty. Below it, there are navigation tabs: "Educación para la salud", "Protocolos", "Atlas de anatomía", "Diccionarios", and "Links". The main content area is titled "Búsqueda avanzada" and contains a form with the following fields: "Título:", "Fuente:", "Autor:", "Texto:", "Tema:", "Fecha de publicación (sólo para revistas y documentos periódicos)", "Desde (dd/mm/aaaa):", "Hasta (dd/mm/aaaa):", "Código documento:", and "Nº de resultados por página:" (set to 10). There is also a "Ver temas" section with a subject tree and an "Aceptar" button.

The screenshot shows the OCENET website interface for an anatomy atlas. The search bar is empty. Below it, there are navigation tabs: "Educación para la salud", "Protocolos", "Atlas de anatomía", "Diccionarios", and "Links". The main content area is titled "Atlas de anatomía" and shows a search for "Vascularización del aparato digestivo". There is a subject tree on the left and a large anatomical diagram of the human digestive system with various parts labeled in Spanish, such as "Centro frénico", "Cardíaco", "V. cava inferior", "A. coronaria gástrica", "Tronco celíaco y a. hepática", "Primera porción del duodeno", "Ángulo cólico hepático", "A. mesentérica superior y una rama pancreatoduodenal", "A. yeyunal", "A. cólica media", "Peritoneo", "Hoja derecha del mesenterio", "A. cólica derecha", "A. cólica izquierda", "Aa. ileales", and "A. ileocólica".

Searches in Graphical resources and dictionaries

The various collections of images and illustrations allow you to recover text and its related images.

Anatomy Atlas:

The human body in its totality, for specific studies of it, as well as for reference in health areas or other relevant subjects.

Dictionaries:

Spanish, Bilingual (French, English)
Specialized (Mosby, Alternative Medicine, Psychology, and medical science terminology.)
